## Recommendation for Dr. Ioan Dzitac

Based on my review of Dr. Dzitac's CV, his published papers, and especially my own professional interactions with him since 2012, I am recommending him for a full professor position at Agora University of Oradea, Romania (subjects: Mathematics & Support Systems for Decision Making).

In 2013 Dr. Dzitac delivered an invited lecture to my University in Chengdu, China (Southwestern University of Finance and Economics -SWUFE). In 2016 he join on Editorial Board of Financial Innovation, a journal edited by Springer and sponsored by SWUFE.

Dr. Dzitac is founder and A. Editor-in-Chief of the International Journal of Computers Communications & Control (IJCCC) (nominee by Elsevier for Journal Excellence Award -Scopus Awards Romania 2015) and member in Editorial Board of 8 international journals.

He is founder and General Chair of International Conference on Computers Communications and Control (ICCCC) and he was member of the Program Committee of more than 70 international conferences.

Dr. Dzitac has published 3 books, 5 conference proceedings, 7 courses support books, 5 laboratory support booklets and more than 70 scientific papers in journals and conferences proceedings.

He has 30 ISI Web of Science publications, which proves his international visibility with over of 100 citations.

Dr. Dzitac is has well-established international researcher in a broad range of computer science and mathematics areas including: intelligent systems, fuzzy logic, E-learning, and data science.

It is my opinion that Dr. Dzitac's scholarship and professional services are outstanding. I strongly recommend him for this full professor position at Agora University.
